## KEYWORDS

systemic lupus erythematosus, erythrocyte sedimentation rate, C-reactive protein,  
disease activity, infection

## A Correction on

### Clinical significance of erythrocyte sedimentation rate-based stratification in a large retrospective SLE cohort

By Wang F, Xu Y, Zhang W, Pan W, Liu L, Wu M, Ding F, Hu H, Ding X, Wei H, Zou Y, Kong W, Zhu Y,  
Feng X and Sun L (2026). *Front. Immunol.* 17:1767359. doi: 10.3389/fimmu.2026.1767359

Affiliation “Department of Rheumatology and Immunology, Nanjing Drum Tower  
Hospital, Affiliated Hospital of Medical School, Nanjing University, Nanjing, China” was  
erroneously given as “Department of Rheumatology and Immunology, The Affiliated Drum  
Tower Hospital of Nanjing University Medical School, Nanjing, China”.
